- Stop Mind Reading and Clarify Expectations
- Incarnational Listening
- Climb the Ladder of Integrity
- Clean Fighting

And since loving others and loving God cannot be separated, each person will also grow in their personal, first-hand relationships with Jesus by incorporating stillness, silence, and Scripture as daily life rhythms. Facilitated by Jeff Holland

2. **"The Cure"** - Room 5 - Book Study: The Cure - What if God isn't who you think He is and neither are you? Authors Bill Thrall, Bruce McNicol and John Lynch.

In this study we talk about taking off our masks and living out of who God says I am, and not by the checklist of who we think we should be. We talk about how to create a place so safe that the worst of us could be known, and we would be loved more, not less, in the telling of it. Join us for this REAL conversation! You can purchase the book on Amazon or we have a few extra books we can bring to class. Facilitated by Danny & Anna Hammonds

3. **"This I Believe"** - Room 8 (CAFE) - Foundations of Apologetics. This class based on teachings of Ravi Zacharias, will explore why Christianity is reasonable to believe is true. Facilitated by Clint Rhodes.

Classes for children and teens are also available.
